CPA INSURANCE BACKED GUARANTEE

PROTECTING YOUR GUARANTEE FOR UP TO 10 YEARS

The guarantee given by the CPA member company is valid the whole time they are trading and so any defects that may arise should be corrected by them.

However, a company's guarantee is worthless if they go out of business.

Therefore, when having home improvement works carried out on your

property, it is essential to make sure an Insurance Backed Guarantee is in place.

An Insurance Backed Guarantee (IBG) is valuable protection in the unlikely event of the Consumer Protection Association member ceasing to trade.

If the company no longer exists, due to liquidation, receivership, administration

or winding up of the business due to bankruptcy, state retirement or death of the principal(s), then faults appearing after they cease to trade will be covered by the IBG. Depending on the work undertaken the IBG is available for a period up to 10 years.

CPA will not provide you with a personal recommendation as to whether an Insurance Backed Guarantee is suitable for your needs. if you are not sure on what an Insurance Backed Guarantee is, please do not hesitate to contact one of our advisors on 01462 850064.

We hope you found this process quick and easy to use, but in the event of any difficulties please contact us on **01462 850064** during office hours
